

We are excited to announce our new
online scholarship system,
 academicworks

<https://jalc.academicworks.com>

Click "Sign In"

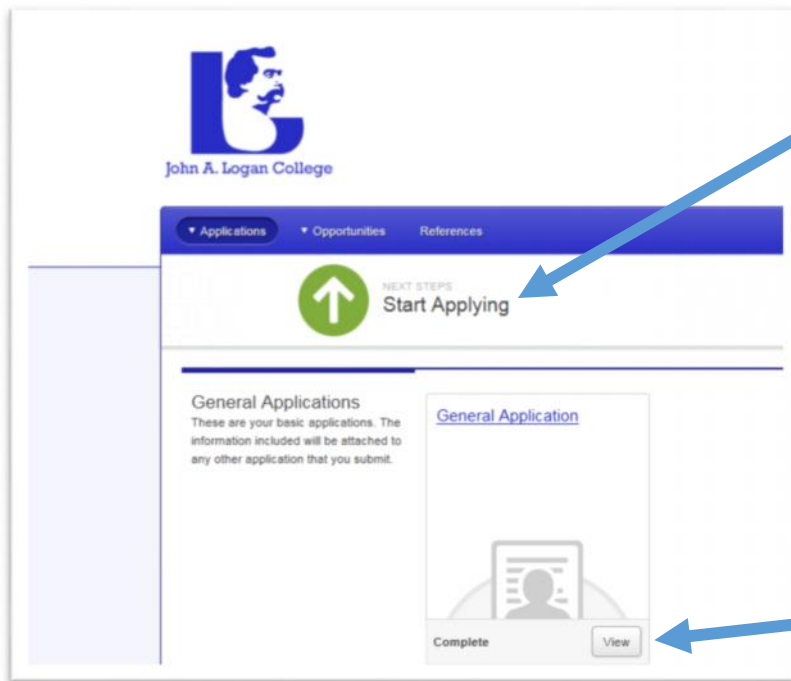

You must login to the site and complete the application to be considered for Spring scholarships this year!

Select "Sign in with Your Institution" and complete the general application

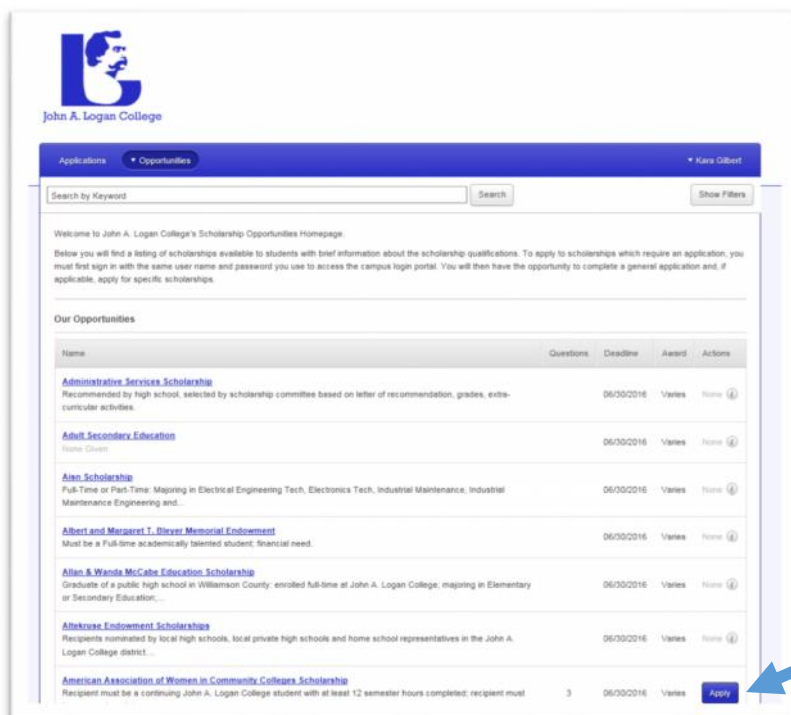

You will need to click "save and keep editing" to return to it later or "finish and submit"

We will switch to the academic works system for Spring of the 2016-2017 academic year

Select "Start Applying" to apply for additional scholarships for Spring

View or update your general application here

You can browse through the listing of scholarships on the next page

Click "apply" to apply for one of the scholarships requiring additional questions or submissions
