

## REALTIME CV ANNUAL SCHOLARSHIP PROGRAM

### Realttime CV Annual Scholarship Program

Realttime CV understands the importance of education. We are happy to give back to the society by offering scholarships to students pursuing their dreams by advancing academically under Realttime CV Scholarship Program. This program awards scholarships annually to students who have demonstrated strong academic achievement, and outstanding talent or achievements. The goal of this scholarship offer is to award deserving student's money they previously didn't have to help further their education and relieve the financial burden that can come with a college or university education.

#### Eligibility Criteria:

- Applicants must be currently enrolled in a university and continue to be enrolled in the following academic year, or be applying to a university for enrollment in the following academic year.
- Be in good academic standing with his/her current educational institution.
- There is no age nor specified major requirement.

**Amount of Reward:** The total reward amount is **\$3000**.

**Deadline:** The deadline for submit your current year applications is **September 15, 2017**.

#### Selection Process and Notification:

The deadline to submit application is September 15, 2017. The winning recipient will be determined and announced on or before Monday, October 1, 2017. The winning scholarship will be sent directly to the institution's financial aid office, in the amount of \$3000. Each winner is only eligible to receive the scholarship one time!

If you have submitted an essay previously, but were not the winning recipient, you are eligible to apply again in current year program.

**How to Apply:**

In order to apply please complete the form below and submit a 750 word minimum essay that tells us about your goals in education as well as what your plans for after graduation. We would like to hear why you feel you deserve this scholarship and how it would help you if you were selected as the winner. We are excited to hear your story and good luck!

**Note:**

Please note that we run this scholarship program every year. If we were not able to win in one year you can apply for next year program that will start accepting applications after announcement of current year winners.
